had to write and get it off,
are out of my system.
I didn't see the Oswald killing
on T.V. And those who did see
it can only swear they seen it
on T.V. I can swear I seen
soal bubbles come out of peoples
mouth ears and eyes on T.V. to.
I can swear, I seen Super Man
fly through the sky. But that
also was on T.V.

If Jack Ruby did take such a chance
and did kill Oswald, he was in
the state of mind they would
be suffering. But he had gutts
however if Oswald lived, he could
have broke down under the strain.
And that would have been terrible.
For his testimony could have involved
some of our wanted to be, Republican
presidents. Some one would find money lack
what. No one has published who it was.
You is fired, please, and hated in
the personality of our Republican I have
seen. That's all, (if I don't win)
I will get revenge if its the last thing
