Dear Jack Ruby,

I don't know whether this letter will ever reach you or not, but I just had to write to let you know my family and myself are praying for you. We also loved President Kennedy his death was a terrible loss, it left all of us dazed, and only God knows what any of us would have done if we had come face to face with Oswald. It must be a long three months for you, but our prayers are for you every night, so have faith in God and everything will turn out for the best.

Very sincerely
Mrs Anthony Cioffi
