

SHERIFF'S DEPARTMENT COUNTY OF DALLAS, TEXAS

personally appeared Howard Leglie Brennan Address 6814 Woodard Dallas, Texas Age 14 Phone No. EV 1-2713 Deposes and says: I am presently employed by the Wallace and Beard Construction Company as a Steam fitter and have been so employed for about the past 7 weeks. I am working on a rate line in the Katy Railroad yards at the Vest end of Pacific Street near the railroad tracks. We had k nocked off for lunch and I had dinner at the cafeteria at Record and Main Street and had come back to see the President of the United States. I was sitting on a ledge or wall near the intersection of Houston Street and Elm Street near the red light pole. I was facing in a northerly direction looking not only at Elm street but I could see the large red brick building across the street fhom where I was sitting. I take this building across the street from where I was sitting. I take this building across the street from where I was sitting. I take this building and the second row of windows from the top I saw a man in this window. I had seen him before the President's car arrived. He was just sitting up there looking down apparantly waiting for the same thing I was to see the President. I did not notice anything unusual about this man e He was a white man in his early 30's, slender, nice looking, slender and would weigh about 165 to 175 pounds. He had on light colored clothing but definately not a suit. I proceeded to watch the President's car as it turned left at the corner where I was and about 50 yards from the intersection of Elm and Houston and to a point I would say the President's back was in line with the last window I have previously described I heard what I thought was a back fire. It run in my mind that it might be someone throwing firecrackers out the window of the President's back was in line with the last window I have previously described in the window and he was taking aim with a high powered rifle. I could see all of the barrel of the gun. I do not know if it had a scope on it or not. I was looking at the building		Before me, the undersigned authority, on	this the _22ndday	of November	_A. D. 19.63_
Deposes and says: I am presently employed by the Wallace and Beard Construction Company as a Steam fitter and have been so employed for about the past 7 weeks. I am working on a pair line in the Katy Railroad yards at the Vest end of Pacific Street near the railroad tracks. We had k nocked off for lunch and I had dinner at the cafeteria at Record and Main Street and had come back to see the President of the United States. I was sitting on a ledge or wall near the intersection of Houston Street and Elm Street near the red light pole. I was facing in a northerly direction looking not only at Elm street but I could see the large red brick building across the street from where I was sitting. I take this building across the street to be about 7 stories anyway in the east endof the building and the second row of windows from the top I saw a man in this window. I had seen him before the President's car arrived. He was just sitting up there looking down apparantly waiting for the same thing I was to see the President. I did not notice anything unusual about this man e He was a white man in his early 30's, slender, nice looking, slender and would weigh about 165 to 175 pounds. He had on light colored clothing but definately not a suit. I proceeded to watch the President's car as it turned left at the corner where I was and about 50 yards from the intersection of Elm and Houston and to a point I would say the President's back was in line with the last window I have previously described I heard what I thought was a back fire. It run in my mind that it might be someone throwing firecrackers out the window of the red brick building and I looked up at the building. I then saw this man I have described in the window and he was taking aim with a high powered rifle. I could see all of the barrel of the gun. I do not know if it had a scope on it or not. I was looking at the man in this window at			ennan A	6814 Woo	dard
Company as a Steam fitter and have been so employed for about the past 7 weeks. I am working on a pipe line in the Katy Railroad yards at the Vest end of Pacific Street near the railroad tracks. We had k nocked off for lunch and I had dinner at the cafeteria at Record and Main Street and had come back to see the President of the United States. I was sitting on a ledge or wall near the intersection of Houston Street and Elm Street near the red light pole. I was facing in a northerly direction looking not only at Elm street but I could see the large red brick building across the street fhom where I was sitting. I take this building across the street be about 7 stories anyway in the east endof the building and the second row of windows from the top I take this building and the second row of windows from the top I was man in this window. I had seen him before the President's car arrived. He was just sitting up there looking down apparantly waiting for the same thing I was to see the President. I did not notice anything unusual about this man e He was a white man in his early 30's, slender, nice looking, slender and would weigh about 165 to 175 pounds.
