That was the last I saw of him. This man, to the best of my recollection, was approximately five foot eight inches tall, weighing approximately 175 pounds; with dark hair; normal complexion; approximately 30 years old. He didn't appear to be a learned person, that is too well educated, and did not appear to be ignorent by any means.

The woman friend says that he had real wavy black hair and was in her opinion about five foot ten, and would weigh about 165, and about 30 years old.

The best I can describe the rifle, it appeared to be well kept, a deer rifle or something, I don't know too much about guns; it I know it was not a .22; I know that it was a larger caliber gun, perhaps in my judgment a 303 caliber..that would be my guess what it would be. It had a chrome appearance about it somewhere.

I heard him cock the pistol as he told us to sit still, and I got a very dim look at the gun, it seemed a long barrel like a police officer normally carries.

We both agreed it was a light green car, a new model somewhat on the smaller side, about like the appearances of a Chevy II. She says it was an extremely light green. The License Number on the car was IX--- CD 1583 Texas.

After the tragic incidents that have occurred in Dallas this date, upon hearing about the killing of the police officer I thought about the incidents related above about the man with the rifle in the car, and for these reasons I decided to give the information contained herein to the proper authorities for whatever value it may have.
