Holland-America Line

The biggest <sup>key</sup> development <sup>of some</sup> ~~of~~ <sup>of our</sup> era is, the fight for markets between the imperialist powers ~~that~~ <sup>themselves</sup>, which lead to the wars, crises and oppressive friction which you have all come to regard as part of your lives.

and it is ~~this~~ <sup>the</sup> prominent factor of the capitalist system which will undoubtedly eventually lead to the common destruction of all the imperialistic powers ~~not so~~ <sup>less</sup> already many ~~of~~ imperial countries have become dependent upon other ~~factors~~ <sup>than</sup> domination of colonial ~~force~~ <sup>colonies</sup> through force, they have been devastated by their former colonies by the ~~the~~ great imperial forces countries or in some cases even given up their colonies themselves as unprofitable and <sup>many</sup> other cases the oppressed peoples rose up and physically ~~through~~ <sup>struggled</sup> the colonial ~~out~~ <sup>and</sup> this process is continuing even today as we all can see.

but what is important to remember
