# DIARY. (EXTRA DAYS) NOT included in journal

NOV. 1960 ENNA TARKENTINA, friend's family, from Regia, Estonia. Studied at Conservatoire & met her in 1960 at the zegers. Her family (who sent her to Munich) apparently well off. ENNA wore fancy clothes well made shoes and underthings in Oct. 1960 we began to get very close and clamingating in intercourse on Oct. 21 she was a virgin and very intelligent, we met in such a fashion on 4 or 5 occasions ending Nov. 4 1960 later upon completion of her last year at the music cons. she left Munich for Regia.

Dec. 1960 well. Reprobate - large - 5 ft. 11. inch 160 lbs, built proportionally, large fronted breast hips wide and heavy but very pleasantly proportioned, from a village near the police boards of strictly Russian peasant stock.

gentle kind womanly and understanding, passionate in heart, stubborn in hate she combined all the best womanly features with the kind simple, Russian heart I met her through one of her room-mates, Tomka, small and Tomka together with three other girls lived in a room at the pos. low. Inst. Dom. in Munich near the victory circle. I began to notice her seriously only after I had parted ways with ENNA. well at first she did not seem to warrant attention since she is rather plain looking and frighteningly large. but I felt at once that she was kind and her passions were proportioned to her size. I felt too be found out only after a great deal of research. after a light affair lasting into Jan and even Feb, we continued to remain on friendly but conventional terms throughout 1961

up till May when after being married I no longer met. June 1961 LITA GERMANIA - a sibly, black haired Jewish beauty with fine dark eyes skin as white as snow a beautiful smile and good but unpredictable nature, her only fault was that at 24 she was still a virgin, due entirely to her own desire. I met her when she came to work at my factory. I noticed her, and perhaps fell in love with her, the first minute I saw her. we remained on amiable terms from the time we met to the time I left the country. I proposed marriage to her on several occ. and loved her with all my heart, but she would not have me. our last formal date was in Feb. 1961 after which I stopped seeing her.
