

The Soviet Union is made up of scores of nationalities  
Slavs and European Asiatic American and Jews whites and  
dark skinned people yet they can teach us a lesson  
in brotherhood among people with different customs  
and origins.

3. A symbol of the American way, our liberal conscience is  
its epitome in our midst of a minority group whose  
influence and membership is very limited and whose dangerous  
tendencies are sufficiently controlled by special government  
agencies. The Communist Party U.S.A. bears little resemblance  
to Russian counterparts, but by allowing <sup>them</sup> and even  
supporting their <sup>right</sup> right to speak, we maintain  
a testament sign of our strength and liberalism.  
harassment of their press newspapers, their leaders,  
and advocates, is treachery to our basic principles  
of freedom of speech and press. This seems no  
matter how misguided, no matter how much the  
Russians take advantage of them, must be allowed  
to be aired. After all the Communist <sup>U.S.A.</sup> have existed for  
40 years and they are still a pitiful group of radicals.

4. Now-a-days - most of us read enough about  
certain right wing groups to know ~~enough~~ how to  
recognize them and guard against their corrosive effects.  
I would like to say a word about them, although  
this is <sup>not</sup> ~~probably~~ the other American born persons in  
the U.S. who have as <sup>many</sup> ~~personal~~ personal reasons to  
know and steep hate and mistrust communism. I  
would never become a pseudo professional  
anti-Communist such as Herbert Philbrick or MacCarthy.  
I would never jump on any of the many right wing undergrounds.  
I hope our two countries have too much to offer too each  
other to be staring at each other through an endless

cold war. Both are countries have major short comings  
and advantages. But only in ours is the word of  
descent and ability of that kind of descent, allowed  
opportunity of appreciation, in returning to  
the U.S. I hope I have awoken a few folks were  
sleeping, and others who are indifferent.

I have done nothing alot of criticizing of our system  
I hope you will take it in the spirit it was given.  
in going to Russia I have followed the old principle  
"You shall seek the truth and the truth shall make you  
free" in returning to the U.S. I have done nothing more or less than  
to reveal to the U.S. the truth as two birds.
