

1. Q. Why did you go to the USSR?

I went as a mark of dissent and protest against American political policies in foreign countries, my personal sign of discontent and horror at the misguided line of reasoning of the U.S. Government and people. Q. What about those letters? I made several letters in which I expressed my above feelings to the American Embassy when in Oct 1959 I went there to legally legalize my American citizenship and was refused this legal right.

Q. 2. Did you make statements against the U.S. there? A. 2. What about that type recording? I made a recording for Radio Moscow which was broadcast the following Sunday in which I spoke about the beautiful capital of the socialist world and all its progress.

3. Did you break laws by residing or taking work in the USSR? I did in that I took on other of allegiance to the USSR.

4. Didn't all work in the USSR considered state work? Yes of course and in that respect I also broke U.S. law in accepting work under a foreign state.

5. What about statements you made to U.I. agent Miss Mosby?

I was approached by Miss Mosby and other reporters just after I had formally requested the American Embassy to legally legalize my U.S. citizenship, for a story they were notified by the U.S. Embassy, not by me. I answered questions and made statements to Miss Mosby in regard to my reasons for coming to the USSR, her story was warped by her labels, but in briefest terms it is possible to say she had the truth printed.

6. Why did you remain in the USSR from Oct 16 1954 to spring of 1961? I resided in the USSR for so long if you only want a brief period of 2 1/2 years I did so because I was living quite comfortably I had plenty of money, one apartment rent free lots of girls etc. Why should I leave all that?

7. Are you a communist? No I am basically, although I hate the USSR and socialist system I still think Marxism can work under different circumstances.

7. Q. Have you ever known a communist? Not in the U.S.
