

18.

is 15 minutes. an amazing thing in watching these political lectures is that there is taken on by the listener a most phenomenal ~~at~~ nature, one impervious to outside influences or sounds. After long years of hard fought discipline no worker allows himself to be tripped and called out for inattentiveness by the every present and watchful party secretary and members of the communist party. This is mostly seen in political information or party party dialectical readings, at these times it is best to curb one's natural loquacious and such nature, and the soft by left desire of Lenin forums of the Soviet state, the party ~~secretary~~ ^{secretary} ~~states~~ ^{states} that an unbridled glib man by the name of Gochapo, an average looking man wearing glasses, his wrinkled face and twinkling eyes give one the impression that at any moment he is going to tell a very story of funny jokes, but he never does, behind this man stands 15 years of party life his high post, relatively speaking for him, is witness to his efficiency, and ~~the~~ ^{the} ~~stands~~ ^{stands} ~~springing~~ ^{springing} from notes in front of him, ~~the~~ ^{the} ~~weeks~~ ^{weeks} ~~information~~ ^{information}, with all the lack of enthusiasm ~~of~~ ^{of} someone who knows that he ~~knows~~ ^{knows} no worries about an audience or about someone getting up and going away.

In the same way may days and other "demonstrations" are arranged as well as spontaneous receptions for festal and quiet. I remember when I was in Moscow in ~~the~~ ^{the} ~~1959~~ ¹⁹⁵⁹ I was just passing in front of the Neppopolos restaurant when out of the side streets rushed a 10 man police unit which stopped all people on the street from passing in front of the entrance surrounding the crowd and ~~blowing~~ ^{blowing} them down in (not detouring the flow of traffic so would be expelled) for 3 minutes, until night on ahead, an obviously ~~young~~ ^{young} ~~housewife~~ ^{housewife} lady was driven up to the restaurant, where a meeting in her honor had been arranged, and taken through the "spontaneous welcoming crowd" after which the police ~~withdrew~~ ^{withdrew}, allowing the passers by to continue.

at the month ~~of~~ ^{of} ~~the~~ ^{the} ~~factory~~ ^{factory} ~~holidays~~ ^{holidays} ~~demonstrations~~ ^{demonstrations} (these are thus a year) may day and revolution day are arranged in the following manner. Directly all passed down the comm. party line until they reach the factory area and mill "collectives" here they are ~~instructed~~ ^{instructed} ~~by~~ ^{by} ~~the~~ ^{the} ~~comm. party~~ ^{comm. party} ~~secretary~~ ^{secretary} ~~who~~ ^{who} ~~issues~~ ^{issues} instructions as to what time the demonstrators are to arrive, at the arrival point names are taken well into advance of the march so that late comers and absentees may be ~~noted~~ ^{noted} ~~settled~~ ^{settled} ~~one~~ ^{one} ~~is~~ ^{is} ~~allowed~~ ^{allowed}. At the collection point ~~signs~~ ^{signs} ~~and~~ ^{and} ~~flags~~ ^{flags} ~~are~~ ^{are} ~~distributed~~ ^{distributed} ~~and~~ ^{and} ~~marchers~~ ^{marchers} ~~formed~~ ^{formed} ~~in~~ ⁱⁿ ~~rows~~ ^{rows}. In the city of ~~minsk~~ ^{minsk} on such days all roads are closed by driving trucks across them, except the prescribed route. This, as well as meticulous attention
