

108

because it too, promises
abundance and justice

But in a conflict between
these two systems the ^{people} ~~the masses~~
of both societies will
seek a new system.

a system which would
not violate the ^{good} ~~instilled~~
ideas about the relative
systems but one which
would be, because of the
{ruin the conflict of those
ideas would have brought

completely opposed to both
a system embodying the
best features of the Cap. &
Comm. society as we see them
today but absolutely opposed
to both

without any regard to
the creation of a new type of
person or ~~see~~ man but
serving and being administered
by man as we see him
now. Taking into effect
his weaknesses and making
the necess. allowances for the
