At approximately 12:30 PM, July 21, 1964, Mrs. Wilma Tice, 8406 Lakemont, FL 2-2559, received a threatening phone call.

Investigating officers contacted Mrs. Tice July 22, 1964, and were informed that the call was regarding the fact that she had seen Jack Ruby at Parkland Hospital the day the President was killed. Also that she had received a notice to appear before the Warren Commission.

The caller was a male voice on the telephone and informed her that she would be better off if she kept her mouth shut. Mrs. Tice also received another phone call about 1:30 AM, July 22, 1964. However, when she answered the phone, the other party hung up. A few minutes later, her door bell rang. She answered the door, but did not see anyone. She tried to open the screen, but the latch on the outside had been turned to prevent the screen from opening. She went to the back door and discovered that some one had placed a ladder against the screen door, and she could not open it. Radio Patrol has been assigned to keep a close watch on this residence.
