<p>Connelly was present in the Presidential Motorcade, enroute from downtown Dallas to the Trade Mart Station Expressway. Mr. Connelly was shot by an assailant in the near vicinity of the junction of Elm & Houston Streets. Mr. Connelly sustained a gunshot wound with the point of entry located in the posterior of the right shoulder, ranging downward thru the chest, exiting on left chest just below right nipple. The bullet continued, striking the right wrist, palmar side, one 2 inches from the wrist joint. A fragment continued, entered the interior portion of the thigh causing a flesh wound. Dr. Robert Shaw, chief of the Thoracic Surgery, Parkland Hospital states that Mr. Connelly's condition is favorable for recovery.</p>
