Re: Interview with Former Landlord
of Jack Ruby -
Mrs. Rex Goodman
3929 Rawlins - Apartment A
LA 6-5714

Mrs. Goodman is the manager of an apartment house at 3929 Rawlins and 3921 Rawlins. Information has been received that Jack Ruby had lived at 3929 Rawlins, Apartment 1 in 1961. Mrs. Goodman stated that Jack Ruby had never lived at that location, however, his sister, Mrs. Eva Grant, is a present tenant in Apartment I and has been since July, 1961.

Mrs. Goodman states that on numerous occasions she has seen Jack Ruby enter the apartment but denies that she has ever seen Lee Harvey Oswald.

Mrs. Goodman further stated that she had been contacted by another person that showed her a photograph of Lee Harvey Oswald requesting information. She stated that this photograph was a mug shot taken by the New Orleans Louisiana Police Department. She declined to identify the person presenting this photograph.

She further stated that she is a close friend of Mrs. Eva Grant and that Mrs. Grant has visited in her apartment on numerous occasions.

Respectfully submitted,
