I have known Jack Ruby for about 12 years. I believe his true name is Jack Rubinsky. I started to work for Jack in Oct. of 1961 as a drummer in the Carousel Club. I last saw Jack about 2:00 AM Friday morning. About 5:00 PM Friday I talked to Jack by phone & he told me that the Club would be closed Friday night. I asked him when he would be open again & he said it may be as late as Monday. I told him what a terrible tragic thing that had happened to the President. He said that this was the most horrible thing that had ever happened & began crying. I was amazed at how hard he was taking the death of the President & I told my girl friend, Joan McChinn that I couldn't understand Jack being so torn up about it. Jack said the news must have been a suit or a house & said "How could any man do such a thing". Then he hung up!

I tried to call Jack again Saturday but didn't get an answer. I haven't talked to him or saw him since today about 11:30 AM I was home in bed asleep & the phone rang & woke me up. My father R.L
