

Willis was in the next room. I got up and answered the phone + it was my girl friend Joan McChune at 6203 Boulevard FL-2-7312. She told me that she had heard on the news that Jack Ruby had shot + killed this man Oswald. I tried to get in touch with Lt. Gilmore, as he saw I worked for Jack + might want to get in touch with me. He wasn't in so I talked to Lt. Cornwall. He took my phone number so I told him I would just come on down. I drove my 1954 Pontiac to the police station. I alone.
