OFFICE MEMORANDUM

May 16, 1955

To: J. E. Curry,
Asst. Chief of Police

Subject:

Attached you will find special report from J. D. Bryant, informant in the Hutto Patrol Division, stating one his reasons for not expecting an court on May 12th at Lincoln.

This is not an acceptable reason and procedure that we follow our policy of causing the officer to lose one day without pay when he reports off on acceptable grounds and later court also occurs there. This is the second time Officer Bryant has failed to go in court on his regular court day, consequently, I recommend one day without pay.
