OFFICE MEMORANDUM April 26, 1955

To: Mr. C. F. Hansson
Chief of Police

Subject:

Attached you will find special report over the signature of J. D. Tippit and J. C. Wallace, Patrolman in the Radio Patrol Division, concerning injury to a prisoner while in their custody. (Sam Richard Curshaw).

This could not be helped by those officers, they were not lax in their duty as they had the prisoner handcuffed.

I find no fault with the manner in which this incident was handled.
