Dear Mrs. Burke:

Thank you for your letter in which you commended Accident Investigator J. W. Loving and Patrolman J. D. Tippit for their courteous assistance near the North Wynnewood Shopping Center.

Your letter has been called to the officers' attention and has been made a part of their personnel files.

I am sure the officers appreciate, as I do, your very kind remarks and your taking the time to write me of this incident.

Very truly yours,

J. E. Curry
Chief of Police
