Dear Sir:

Will you please see that
this check reaches Mrs. Lu Rowland,
if possible.

Mr. Pean and I had planned
to send it to you just a few days before
he was killed instantly by a car.

I send it now in the name
of the little Mission where we
help people to have a closer walk with
God as we struggle for more truth.
Surely the world is full of troubles.
Perhaps you know that truth better
that those on the other side.

Thank you sincerely,

Mailed May 29 Mrs. Howard Pean
