

out no doubt the Americans would turn on the rats behind it all and do as Hitler did.

We all know that Ruby is not insane - it's the only way to save him and these rats are determined to save him at any cost.

Oswald was only the goat for these rats

The shame that has been heaped on Dallas should be vindicated - these rats care little who they hurt - they care nothing for the tears and heartaches of the Pres. family - they are going to rule the world regardless.
