The British Broadcasting Corporation  
Head Office - Broadcasting House  
London, W.1, England

Dear Mr. Cartier:

I regret that I am unable to comply with your request of December 14th, for comprehensive information pertaining to your drama documentary "Dallas - 22nd November." We have had so many requests for this type of information that we decided quite some time ago we could not possibly honor them.

A complete report on the assassination of President Kennedy has been issued by the Warren Commission. For information on how to obtain a copy of this report, I suggest you contact the United States Government Printing Office, Washington, D. C.

I hope this information will be of assistance to you.

Very truly yours,

Chas. Batchelor  
Acting Chief of Police
