

Ardmore Junior High School
Ardmore, Penna. 19003

12/27/65

Dear Mr. Curry:

I represent a junior high school activities club and our students
are trying to secure the signatures of outstanding personalities
from all over the world.

Would you please have your autograph on the enclosed items for our
club? We shall frame your signature and display your photo-
graph. It would happen to have one for this purpose.

Your doctor head, photo or any items you can spare will be
highly appreciated in this school venture.

Thank you for your help and cooperation. Best wishes to you
and yours.

Respectfully,

Ernest Schwartz
Ernest Schwartz

We are trying to recreate the Kennedy story for our school children.
May we please have even a small snapshot for our records.
