

Dallas Police Department

If David Slatt is in your custody, in a Dallas jail, or if you know where to reach him, I would appreciate it very much if you would see that the inclosed letter is delivered to him, or that it is properly addressed and mailed. I have left it unsealed in case you wish to check the nature of it. Thank you very much for any cooperation you may give.

Sincerely

B. W. Mabbot
Unity, Wis.
