

Anyway, what I am trying to say is that I feel you and the police forces, as well as the Federal Officers, did a magnificent job under extremely difficult & shocking circumstances. Instead of blaming you in any way, I think ~~the public opinion should~~ ^{public opinion should} ~~be~~ highly commended ^{all of you} for averting panic & possible further disaster. Handling large crowds is a big job at best, but when a U.S. President is assassinated on the streets of your town city in daylight, I find the amazing fact of the whole tragedy to be the spontaneity & efficient way ~~the~~ in which the ^{cal of Federal Officials reacted.} ~~me,~~ this is comparable to the Los Angeles authorities averting a
