

relationships and she saw my wife before and after, as she was staying with my wife at the time. They also saw me in the car being brought back to the county jail. Lt. Fannon supervised this whole process personally.

On November 19, 1966, I made a deal with detective Sharp in the auto theft div. for the same thing. He and detective Baynes took me to the city, and while I was there I heard of several of my people on the phone when I called my wife to come up there. This time also two people brought my wife to see me. They can and are willing to state that I had relationships with my wife as one of them is a R.M. She was asked to see my wife before & after and to be with her on the way down & back from seeing me, or perhaps, I was seen in the car
