Booth was absolutely obsessed with the case of Bonnie Parker and Clyde Barrow...he keft life-size photographs of them in his garage on Bennett Street...would display them at his "Mormon" church in West Dellas where he said they were brought up...he was obsessed with Lincoln's murder by Booth, etc. Understand now he claims to be a Baptist preacher.

In that letter to you I also wrote this: "Now I recall a visit up to Dalias (Jamary 1946 when Stanley Mannes and Mr. Neiman acted so strangely when I was in Neiman Marcus) where my husband (Kiwin Heary Shaufler) and myself stayed in his (Booth's) home. He is the husband of my mot er's sister. The address is 2031 Bennet St., Dalias, Texas. One morning he took my husband with him to collect on Zero-plates (refrigeration). I went with my sunt, who is a precious person and unaware (seemingly) of his mis-deeds, I believe. My sunt spoke tome of a horrible dream she had had—that she dreamed of blood, blood, all night long—so we both bowed our heads in prayer in the car before starting off, asking the LORD to protect us.

That afternoon my husband came home shaking all over. He said he had never had such a terrible time in all his life. He said the steering wheel of the car driven by Booth came off on top of a hill, and he said he had felt like he would be killed any minute. But none of us suspected anything deliberately. However, the aunt's dream would indicate that it was on purpose.

"Due to the fact that later (March 1946) this man stole all my personal records, husband's insurance policies, and every record of identification was taken (plus my mother's diary in which she had corressed hatred for Carl C. Booth), and then tried to have me confined in an asylum, would indicate he had plans. All the real happenings are in the letter to the District Attorney which I do not now have time to copy.) (What I am doing here is surmisings on his connection with the communists.)"

Now, I do believe that Eisenhower thought Kennedy would carry out his plans more so than would Nixon. . . that Eisenhower was working desperately to form the United States of Europe ...that in some manner I influenced Kennedy's acts...even regarding the Cuba matter especially...that Eigenhower was made at me...even as indicated by the 1955 and 1960 arrests ... to get his sime accomplished meant mere to him than anything else... that he is the second beast of Rev. 13:11...that Kennedy is the star who fell, according to Rev. 9:1...that a number of things went into the plan to get Kennedy out of the way...one thing was that he was listening to me,... Eisenhower believed Johnson would better earry out his plans,... when it seemed certain that Johnson would be dumped by Kennedy...then to get rid of Kennedy and cause the stepping into the presidency by Johnson...then Johnson's ordering my arrest to get me out of the way (after I had run in 1964 for Governor of Texas) while he ran for the presidency.... all these things are to be taken into consideration... even as the Bible states Johnson is that abomination that maketh desolate set up Nov. 27, 1963...wait 1,335 days... time can be shortened...otherwise up about July 27, 1967 (about five more months to watt) (Dan, 12:12), . . then Johnson being the one taken out of the way, then Elsenhower will be revealed as that "man of sin." And he will be destroyed out of the limelight he has been basking in so favorably...and it will be the words put in my wouth by the Lord that reveals his wicked deeds, etc....the I will be commanded of God to rise up into ruling power...according to Isa. 47 Mrs. Johnson, having become a widow and knowing the loss of children in one moment of one day, will be ordered to vacate the White House... being told she is not the true feminine eagle she thinks she is, etc ... and it being known that Jesus returned, chose my form to indwell...that it is my should upon whom his government rests...that Eisenhower's world government will never rest upon the shoulder of his son John, nor that of his grandsen, etc. The one-world government, as planned, will fail...and Israeli (Palestina) will be dissolved, as will NATO and UN, et al. America will be that great nation made strong by the LORD! Then it be our duty to help those who bless us, but be a curse to him that curseth such great nation ordained of God in the place ordained for God's people Israel, as God told David of, which is recorded in I Chrou, 17. And I am the "house" builded by Jesus who is the seed made of the sons of David as promised! thus fulfilling the Judah covenant! I am the 8th day in person! even the woman Zion, who is new Jerusalem, the servant of God, (O Israel)! and my work outlined for me in Isa. 491 And John son is Lucifer of Isa, 14 .. his fate registered therein...and because of what is written, I think his grandson will be a boy, called a son! He is the king of the bottomiess pit, even being A-bad-don - A polly on! (When will America wake up as to his true identity, realizing the times we are now living in... the time of Jacob's trouble. And who gives Jacob trouble? Why his twin brother's descendants, Edom-Essu!)

Now, as before stated, on September 3, 1964, in Heuston, Texas, the Secret Service agent, Earl Wilson, had farnished the County Attorney's assistant, Ed Wallace, may copies of letters written by me (only handwritten once not referring to religion were used) and the jury told that I had inherited insanity from my mother who killed her husband and then herself.
