Dear Mr. Brown:

Your letter of February 5th and its enclosures  
have been received.

In response to your inquiry, the FBI, at the request  
of President Johnson, conducted a prompt, intensive, objective and  
thorough investigation of the assassination of President Kennedy.  
All the material developed by this Bureau in connection with this  
investigation was turned over to the Warren Commission for its  
consideration, and the results of our inquiry were subsequently  
made available to the National Archives by the Warren Commission.  
The FBI has no authority to independently release any information  
in these reports.

Sincerely yours,
