killing of Oswald by Ruby during an attempted transfer from the City Jail to the County Jail, magnified the deficiency in security measures, they do not accept the full responsibility for such conditions, because of the fact that they had no knowledge whatever of Lee Harvey Oswald and his background until after the assassination on November 22, when they were advised of his presence in Dallas and his past activities by the Federal authorities.

3. Interviews and comments elicited by the news media from police officers and the prosecuting attorneys concerning the facts and legal issues were made public before arraignment or indictment of the suspects. Mass media coverage of the verdict of the jury was allowed, with permission of the Court, in the Ruby trial; and the opportunity was provided for the leading defense counsel to seize the microphones from cooperative news media in the courtroom and, in a vindictive manner, castigate the jury, judiciary, and the City of Dallas with discredit to himself and the legal profession, of which he is a member.
