

degrees left when attempted
while he was down south.
I & my self had did
a little telephone about my self
I had never wrote for self
a note telling him he could get the
work to Kammergo. I got a Jack
the reason he had the school
Katie was because his grand

told the the white people don't
Vote Negroes anything to much
I do (he was the ones who made the
school) But the paper told the
Negroes don't Vote. You'll get the
School. They just want to make
by proper ways around. Lots
of money wouldn't Vote because
they believe by what the paper tell
them that the white all ready to
