

of the... of the... of the...
if I guess you know that...
But among you people at least
a year told me that when the
president's death had been planned
Frank S. had been planned also
but I don't know whether I should
tell them. When I received in that
last minute telegram...
telling the Rep. not to vote for
the... it was the...
bill. And when he said he's not
going to have both. I know that
your leader had said that
Who made Frank S. segregate
the... show at the
last minute - Who made...
