

The President John F. Kennedy  
at the Presidential hearing  
that he was killed because of  
the fight for all man's freedom  
& you know why they said  
that. Because they do not know  
and you know one other thing  
Rudy my skin is brown. It  
I had walked into one of places  
sit down for a drink you would  
not have said me would you  
Rudy. But you know about Rudy  
my Great Grand father being  
mother side was a free  
A letter to Jack Rudy. The  
man who said that he killed  
because he had grinned  
so over the death of the President  
But his Doctor says he would  
struck into it by the sight of  
the line Jack & your Doctor
