Dear Mr. Selby,

I pray nearly every night that you may get a fair trial and also become a free man. I know what you did was wrong, but no one deserved to be killed more than Mr. Oswald.

I know what I think has nothing to do with your trial, but just wish that I were to have a sayings in your case, but I'm just a student in high school.

But I'm sure that there many people that feel just like me that ~~to~~ have something to do ^{with} your case.

What Mr. Oswald did, was the most inhuman act
