

the President Kennedy and others, who
were ready to sacrifice,

for the ~~the~~ ^{the} community, and loved our
President, who has sacrificed his
young life in the attempt to give a
service for his country, and now about
of a young man's life for all the nation, not
only for -

Our country has made much about to
read out this history, and we
right now, compare whether of both
Nelson is a South worthily individual,
and in case of our Southern identity,
we certainly were great names, being
with the world, being about in trying
down for those brother hands of mankind!

When we read the Bible, we go to school
and we can't help but to have
you either to be tried to our necessities
to be good and let God be - the judgment
on the women of these people are unrep
with the minister much! From the little
struggle they give, it seems the people were
being throughout alone, appearing God! by
their false pretense of being Christians
