

multipled into you.

I shall be forever grateful to the Star Telegram for publishing a article that depicted your true nature. This article stated you were reading your bible & found comfort & sustaining grace in this time of sorrow, in this my heart was made to rejoice.

God is our refuge & strength a very present help in trouble (see Psalm forty vs 46!)

He is our only hope He alone can give peace & quietness of spirit in times like these, turn to Him Brother Ruby with all your heart & with all your soul for He loves you, not that He the High & Holy One of Israel looks on sin with any degree of toleration but He & He alone can & will forgive sins casting them in the sea of forgetfulness, never to remember them again.
