

I want you to have a copy.
"AMERICA EVER FREE" shall be the
MOTTO of every true American.

Two months ago I made a
Demo-Record of the song but I
could not be lucky enough to
send one to JFK. However, his
wonderful principles shall never
die, for, he did not die in vain,
I'm sure.

I wanted to send you couple
of records (not for sale) but I don't
know if you could play it
and hear it, let me know if you
can and I'll send couple to
you.

Do not discourage yourself
and have faith in God and then
in man.

You shall be acquitted!

God bless you.

Truly yours
