Mr Jack Ruby,
Sir,

Have watched your
case on T.V. and so forth. The
you have really blamed of
God. Please take this tiny
Bible and place in your
shirt pocket. And place your
hand upon it when the going
gets rough. He is the only one
who can help. God be with
you now and always. And
may he be with your family
and comfort them. And know
that you have people who
are interested.

In Jesus name.
