Dearest Brother Jack;

This is my day off so I will attempt to give a rough resume of what chores I have to perform. To begin I like to sleep in a little later on this particular morning since five other days in the week I get up about seven fifteen. I an usually up long before that time but being a Rubenstein well - need I say more. I get up on this day about ten thirty and then have breakfast. about eleven of clock. I must admit it is rather late for breakfast but I kid myself into thinking that I'm losing weight that way. What a joke - so far I can't see where a lost a pound. I received a letter from Arthur and Flo today and they are both working hard and trying to keep busy. and their little girl "Rondine," is a cute little tike. Today has been pretty cold in old "Ohi" so I thought I would make a "krupnick" in case you don't know what is it - I'll tell you. It is a soup made with meat bones barley and lima beans and vegetables. I must even I made it tested protiv good. I'm typing this with a twisted hip, and it just happened today. I suess when I stooped down to pick something off the floor well lo! and behold! I couldn't streighten up when I complained to your brother"Mess" it said "it is due to old age," can you imagine anyone saying a thing like that about mel "But between you and me he may be right. Well, Jack, this will have to do . for now - hope to write soon. Try not to worry I'm sure everything will turn out all right. I have strong feeling it will.
