

Sunday 3/1/64
Dear Jack;

During these different times
my thoughts and prayers are
constantly with you.

Often me that I find it
extremely difficult to express
in words my deep affectionate
feelings for you.

I am very happy that
Gibson is able to be near you
during these important days.

Again I repeat that I wish
that this was more that I could
do for you to help in some way.

~~My heart~~
My heart is full of hope and
goodness that we will have
the strength and that God
will bless you with the courage
and that He will help you get
through these different days safely & well.
