

Dear Sir,

I believe in my heart that you  
are a loyal American, loyal to your  
country and loyal to your President  
I sincerely hope that the wives, sons  
and women picked to judge you  
feel the same way as I.

This loyalty must be the reason  
you can't shoot me down.  
I feel no hatred in my heart towards  
you.

Best love with your love.

Sincerely,
