

Dear Mrs,

I believe in my heart that you  
are a loyal American, loyal to your  
country and loyal to your President  
I sincerely hope that the men and  
and women packed in groups you  
feel the same way as I.

True, loyalty would be one thing  
you can't shoot me but I would  
I feel no hatred in my heart towards  
you

Best love with your love.

Sincerely,
