Dear Friend:-

Just received your answer to my letter, written to you while I lived in H. North. I want you to know that I'm praying that God in his infinite love will help you during this time of your travail. Read the 23rd Psalm and you will not fear anything. I failed to state before that I am a Disciples Baptist minister. I hope to be in Dallas in the near future and if you would like I'll come see you and read a few words of scripture.

Just know that God will take care of his own. Just trust in Christ and nothing can hurt. My prayers are with you and I feel like God will take care of everything.

I desire a name and until I hear from you, I'll say, May the Lord Bless you is my prayer, Milton Howell
