that He is the Son of God,
and the Savior of the world.
We can only have inner
peace and joy by allowing
Him to come into our hearts
and lives. When we think of
it, which is more important,
to live a life of sin and spend
an eternity in Hell, or open
our hearts to Christ, and spend
an endless eternity with
Him in heaven? I hope you

to become a follower of Jesus
instead of Satan. It will be
worth it all to live for
Christ. He will be returning
soon for His faithful children.

With prayer,
