DECLAN P. AND KATHERINE FORD

Ford is married to a Russian woman who came to this country shortly after World War II having married an individual named Scotty, who was stationed in Russia in connection with the Lend Lease Program. She was always quite outspoken and indicated on several occasions that the Communist system was quite good. She divorced Scotty and married Ford who applied for a job here on August 15, 1963.

Katherine Ford has recently been seen in the company of Marina Oswald. Both Katherine and Declan Ford have been the subjects of security investigations.
