Detective C. M. Dhority was in the process of backing the car he was driving into position adjacent to the Jail Office entrance, when the prisoner was brought out of the Jail Office by Detectives J. R. Leavelle and L. C. Graves, preceded by Captain J. W. Frits and Lieutenant R. E. Swain. They were followed by Detective L. D. Montgomery. The prisoner had taken a few steps toward the car.

Jack Ruby apparently was standing about 10 or 12 feet from the Southeast corner of the Jail Office, at the bottom of the Main Street Ramp near the pipe railing. Ruby lunged forward from a position between acting Detective W. J. Harrison and Robert S. Huffaker, Jr., a newsman for KRLD-TV. Ruby approached Lee Harvey Oswald with a revolver extended and fired one shot into Oswald below the rib cage on the left side.

The shot was fired at approximately 11:20 a.m. Ruby was immediately arrested. Lee Harvey Oswald expired at Parkland Hospital at 1:07 p.m.

This group interrogated 123 persons during the course of this investigation. This included 20 patrolmen, 21 reserves, 30 detectives, 19 supervisors, 13 reporters, 11 cameramen and 9 civilians. Most of the officers were assigned to provide security and the reporters and cameramen were in the basement at the time of the transfer. Only one of the civilians interrogated was in the basement at the time and this was Jack Ruby.

We have obtained the names of 10 newsmen that were in the basement that we have not been able to interview. We were able to determine there were approximately 10 members of the news media in the basement whose identity we have not been able to determine. It is believed these are newspaper correspondents representing publications from other areas of the country and even other countries. Time and money made the running down of these people inadvisable at this time, particularly since it is not believed that any of them could throw additional light on this matter.

Numerous side investigations which grew out of this investigation were also made. A separate report covering these incidents will be submitted.

We are convinced that our investigation has established to a reasonable certainty that Jack Leon Ruby entered the basement from the Main Street ramp and that no collusion existed between
