Sergeant Steele contacted Captain Lawrence for additional officers for intersection coverage. As the vehicle cleared the city hall all officers and reserves at the City Hall were to report by a parallel route to the County Jail. I would use Channel Two and tell Sergeant Steele to cut it. He had a motorcycle officer to send to Elm and Field to instruct the officers on the corners to divert all traffic from Elm between Field and Houston. Regular traffic was heavy.

After the Armored Car arrived we sent a plain car out the Main Street side. This was the lead car and contained Lieutenant Pierce driving, Sergeant Putnam on the right front, and Sergeant B. J. Maxey in the rear.

A Homicide Detective pulled a plain car on the ramp behind the armored car then another Homicide Detective pulled in behind him and attempted to straighten his car and back up. Several reserve officers and I were attempting to push the news people back to give the vehicle room to maneuver. I was pushing several people back at the left front fender when the shot was fired. I assisted the officers in clearing news personnel from the prisoner and officers who were down then ordered that no one was to be permitted out of the basement.

I checked the parking area several times and saw no unauthorized personnel. I removed a number of people from the first floor and basement lobby, this was a continuous check prior to the transfer.

After the prisoner entered the ambulance and I gathered my personnel from Elm and reported to Parkland Hospital, we secured the hospital.

Respectfully submitted,
