Re: Shooting of Lee Harvey Oswald  
Interviewing of R. C. Wagner

Sir:

R. C. Wagner was interviewed by Lieutenants C. C. Wallace and P. G. McCaghren at 3:50pm on November 29, 1963. The interview was essentially the same as his original report dated November 27, 1963. The following was added by R. C. Wagner:

I have been asked if I know Jack Ruby and have been shown a picture of him. I do not know him. To my knowledge I have never seen this person before. I do not recall seeing this person in the basement prior to the shooting. I do not have any idea how Jack Ruby got into the City Hall.

I was standing by the foot of the Commerce Street ramp 10 minutes before the shot was fired. I know that Jack Ruby did not come down this ramp because no unidentified persons came by me.

After the shooting, I assisted in taking Ruby to the jail office. I stayed with the Doctor and helped him with Oswald. I helped lift the stretcher and put it in the ambulance.

I have not been interviewed by the Federal Bureau of Investigation regarding this incident.

Respectfully submitted,
