

INTERROGATION OF LEE HARVEY OSWALD

We conducted the investigation at the Texas School Book Depository Building on November 22, 1963, immediately after the President was shot and after we had found the location where Lee Harvey Oswald had done the shooting from and left three empty cartridge cases on the floor and the rifle had been found partially hidden under some boxes near the back stairway. These pieces of evidence were protected until the Crime Lab could get pictures and make a search for fingerprints. After Lt. Day, of the Crime Lab, had finished his work with the rifle, I picked it up and found that it had a cartridge in the chamber, which I ejected. About this time some officer came to me and told me that Mr. Roy S. Truly wanted to see me, as one of his men had left the building. I had talked to Mr. Truly previously, and at that time he thought everyone was accounted for who worked in the building. Mr. Truly then came with another officer and told me that a Lee Harvey Oswald had left the building. I asked if he had an address where this man lived, and he told me that he did, that it was in Irving at 2515 W. 5th Street.

I then left the rest of the search of the building with Chief Lumpkin and other officers who were there and told Dets. R. M. Sims and E. L. Boyd to accompany me to the City Hall where we could make a quick check for police record and any other information of value, and we would then go to Irving, Texas, in an effort to apprehend this man. While I was in the building, I was told that Officer J. D. Tippit had been shot in Oak Cliff.
