

## REPORT ON OFFICER'S DUTIES IN REGARDS TO OSWALD'S DEATH

C. W. FROWN - #759

On the 24th of November, 1963, I reported to work at 7:00 am driving Squad Car #376. After an interview of the suspect, Lee Harvey Oswald, by Captain Fritz, I was told to get my car and get in position in front of the other squad that was to carry Oswald to the County Jail. At approximately 11:40 am, I went to the City Hall basement and drove my car about half way up the south ramp, which leads out to Commerce Street, and my partner, Dhority, moved the other squad car up behind me. We both started attempting to back up to the jail office door when I heard a shot. I immediately put the emergency brake on and ran back to the other car. By this time, other officers had removed Lee Harvey Oswald and Jack Ruby into the jail office. I went back to my car and moved it back into the parking area so the ambulance could get through. When the ambulance arrived, Captain Fritz, Pats. E. R. Reck, L. D. Montgomery and I proceeded behind the ambulance to Parkland Hospital and set up security, first in the Emergency Room, then to the fourth floor, where Oswald underwent surgery. After Oswald died at 1:07 pm, the body was removed to the X-ray room on the ground floor. Judge Pierce McBride was contacted via telephone, and he reported to the morgue desk and gave authorization for a post mortem to be performed by Dr. Rose of the Parkland Staff. Dr. Rose took charge of the body, and I went with him and got the wife and mother of Oswald from the waiting room and let them view the body in the X-ray room. After the relatives viewed the body, I accompanied it along with my partner, C. N. Dhority, and Dr. Pose to the Morgue. At the Morgue, Dhority and I witnessed the preliminary photos taken of the body by Dr. Rose and his staff. After this, I returned to the office and continued our investigative work there.
