INFORMATION REGARDING ARNOLD LOUIS FOWLAND W/M/19

After the assassination of the resident, Fowland was interviewed as a witness. At this time he listed his address as 3026 Hammerly Drive. On this date, February 10, 1964, an effort was made to locate this subject, and it was found that 3026 Hammerly Drive is the address of this subject's mother-in-law. She states that she has not seen the subject or her daughter since January 1964.

A check with Adamson High School shows that this subject listed his address as 809 S. Marsalis. This is a fictitious address. In further conversation with this subject's in-laws, they told us that the only contact they had with him was through letters and they addressed their letters to this subject at Post Office Box 1967, Dallas, Texas.

A check with Mr. Armstrong of the Postal Inspector's Office shows that the box 1967 was rented on November 21, 1963 by this subject who gave his address as 4111 Lakehurst Court. A check was made of this address and it was found that this subject lived at this address from September 11, 1963 until November 14, 1963. He moved and left no forwarding address.

He moved from 4111 Lakehurst Court a week before he rented the Post Office Box 1967.
