

Q. Did Jack ever mention the trip to Cuba or any friends in Cuba, or did he talk to any Spanish talking or looking people at the Club?

A. No, he didn't say anything about Cuba. No, no friends either. One night maybe a month ago, I was on my way to the restroom and Jack was talking to a man that looked Spanish or colored. He had a mustache and dark curly hair. Jack turned and walked away from him.

Q. Did you ever see Oswald in the Club?

A. No.

Q. Did Jack ever introduce you to any of his friends in Chicago?

A. Only by phone one time. Two men, one's name I can remember and the other was Bill Demar.

Q. Have you ever been out of the Club with Jack? To breakfast or coffee?

A. No, the only time I have seen him was at the Vegas Club when the girls & I went there to help the Club out.

Q. Is there any other things you can think of right now?

A. Well, I used to work for Arthur Murray's Dance Studio and one time, one of the instructors was in here and Jack told me that he was trying to get half-ownership of the Club and he told me to keep it to myself.
